Centre Facilities

Toilets: There is one unisex toilet available for both staff and patient use.

Tea/Coffee: There are tea/coffee making facilities available on the first floor, up the stairs to the right. If you have a tea/drink of preference then please bring your own and label with your name.

Reception: Reception is generally covered from 9am to 5pm on a Monday and 9am to 5.30pm Tuesday through to Friday. Receptionists will take bookings for you if required or can pass on your details to deal with directly if preferred.

Insurance

The Complete Health Centre has Buildings Insurance but we ask that each individual therapist takes out their own personal insurance with regard to public and personal liability.

Fire Evacuation Procedures

1. Assist any person in immediate danger to safety, if it can be accomplished without risk to yourself.
2. If the fire is small enough, use a nearby fire extinguisher to control and extinguish the fire. Do not fight a fire if the following conditions exist:
 - You don't know what's burning.
 - The fire is spreading rapidly.
 - You don't have the proper equipment.
 - You can't do so with your back to an exit.
 - The fire might block your means of escape.
 - You might inhale toxic smoke.
 - Your instincts tell you not to do so.
3. If the first attempts to put out the fire do not succeed, evacuate the building immediately.
4. Doors, and if possible, windows, should be closed as the last person leaves a room or area.
5. Use the building stairs.
6. Upon evacuation of the building, all should proceed to a designated meeting area (outside Moore and Allen's premises) where head counts can be taken by the designated Fire Marshall.
7. Never re-enter a building without permission from the fire department.
